

WONDERFIL®
SPECIALTY THREADS

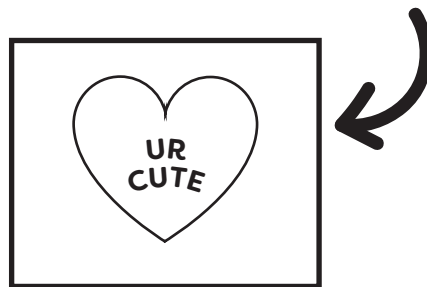

Sweet Heart Pin Cushion

You will need:

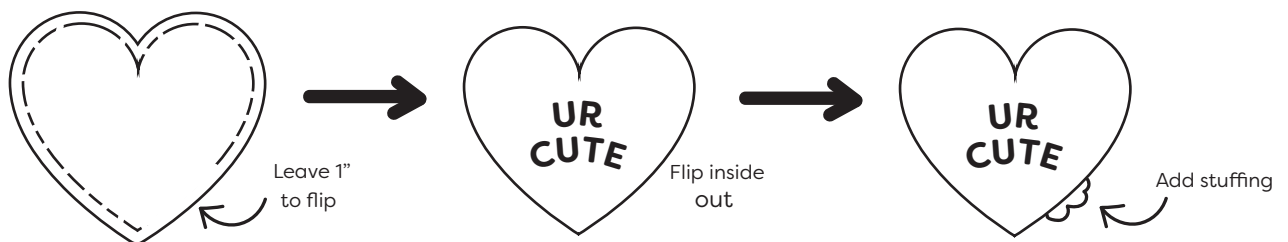

- 8" x 11" Fabric (Can use a fat eighth or two 10" squares)
- 1 DecoBob™ spool and pre-wound bobbins in a colour of your choice
- Eleganza™ (8wt cotton thread) in a colour of your choice
- Stuffing or batting
- 1 WonderFil Rinse Away Design Sheet

Instructions:

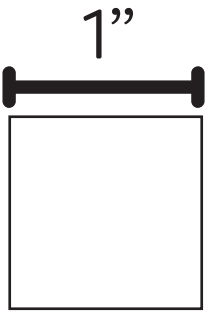

We are going to start with hand embroidering the design for the top of the pillow. Print out your chosen Sweet Heart design onto a Rinse Away Design Sheet. Cut out the design, and position it onto your fabric. Or transfer the design to your fabric with your method of choice. Use a back stitch, and stitch out the design with your Eleganza™, 8wt thread.

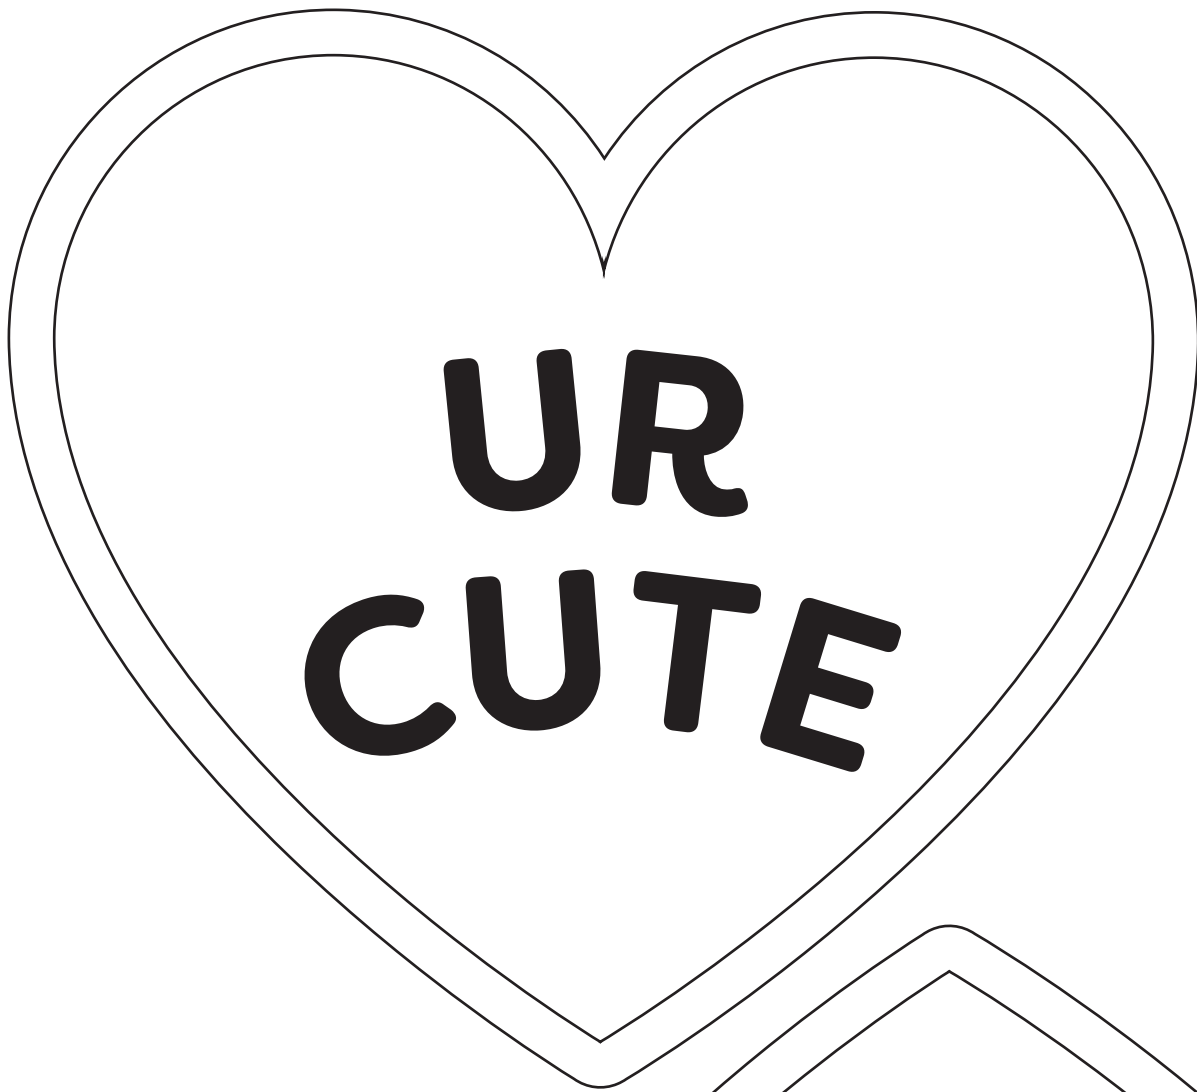

Then cut out the embroidered heart, and one additional heart for the back of your pillow. Rinse in warm water to melt away the Rinse Away Design Sheet. Pin the two hearts together, with right sides together. Stitch around the edge, using a 1/4" seam allowance and DecoBob thread, leaving about 1" to flip inside out.

Turn the heart inside out, so the embroidery is showing. Then stuff your heart with batting or stuffing. Then stitch it closed by hand with a ladder stitch.
